

RAIN OR TRACKSUIT JACKET SIZE GUIDE

S.19.005.V5 - Created 22nd May 2020

Warning: The measurements shown refer to a garment not to a person

^ALogo Centre from Back of Collar:

The logo positioning should be measured from the back centre of the jacket (not including the collar) to the centre of the logo.

Some designs require the logo positioning to be adjusted to fit with the design, e.g. for Style 225 the logo must sit in the middle of the middle panel.

In case of confusion, query this with head office.

^HLong Sleeve Opening / ^JLong Sleeve Cuff Opening:

Rain Jackets and Fleece Lined Rain Jackets need to have an extra 2.0cm added to both H + J measurements.
